

How do I schedule an appointment with my advisor?

Virginia Tech is excited to offer online appointment scheduling through the Navigate.

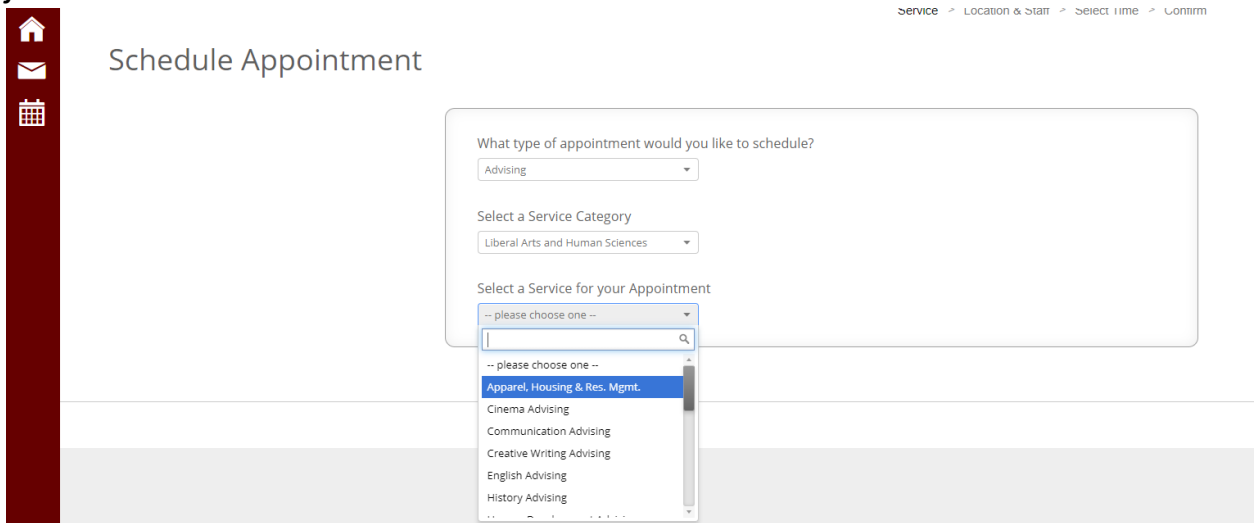

1. Go to www.registrar.vt.edu/campus to learn more about the platform and launch the platform by clicking the “Launch Navigate Platform” button.
2. Once in the platform you will see a screen similar to this:

3. To schedule an appointment with your advisor, click on ***Schedule an Appointment***.

4. Follow the prompts to schedule an advising appointment by first selecting ***Advising*** for the type of appointment, then ***Your College*** for the Service Category, and finally ***the major you want advising for*** as the Service.

- Then select the location from the drop down menu (this should only list one building location based on the major you selected) and then you can either click **Next** or select a specific advisor if you are able to in the Select an Advisor box.
