
ERRETA: An Introduction to Sequential Dynamical Systems

The following is a list of known mistakes or comments ordered by their appearance in the text. The document was last updated on November 14th, 2007.

Page 216, Figure 8.1: (14 Nov 2007) The correct phase spaces are shown in Figure 0.1.

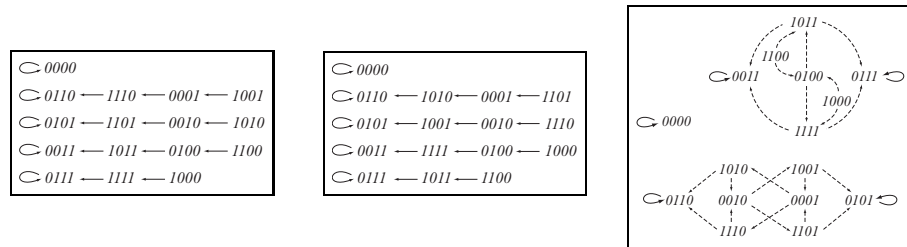

Fig. 0.1. Please note that the actual figure caption is omitted. This is the replacement for Figure 8.1. Also added: In rightmost phase space solid edges have probability 1, dashed edges have probability 1/2.
